Private lessons will be \$16.00 per lesson. The maximum scholarship amount given is \$8.00 per lesson, therefore the student would be responsible for a minimum of ½ the lesson per week. This will be billed directly to you by the private lesson instructor on a monthly basis. This amount would be payable by check or money order to your student's private lesson instructor. If awarded a Booster scholarship, that amount will be billed to the Band Boosters by the individual private lesson instructor and paid directly to them.

Booster scholarship will be terminated if the student's portion is more than 30 days overdue and no contact has been made with the private lesson instructor or the band booster treasurer to communicate about the overdue payment. A student's scholarship may also be terminated if, after consistent academic ineligibility, consistent discipline problems, or consistent lack of preparation of lessons.

Please be aware that there may be students in need that are on a waiting list for a scholarship. They are based on financial need and are intended for students who cannot otherwise afford private lessons. So, if your financial situation were to improve during the year, please notify the band director at (469) 742-9119 or the booster treasurer, in order to re-evaluate your eligibility.

I understand the eligibility requirements and the information submitted is true. I further understand that an incomplete or late application will not be considered.
